OUR SECRET: THE INNER & OUTER GAME

WHAT MAKES THE HUMAN POTENTIAL COACH TRAINING PROGRAM SO UNIQUE AND IMPACTFUL?

The Inner & Outer Game Of Coaching Framework.

Together they provide a roadmap for being and becoming an exceptional Human Potential Coach. Why? Because the way you feel and show up, and your capacity to impact the lives of the people you work with, are shaped by two dimensions of development: **The Inner Game and The Outer Game.**

The Outer Game of Coaching

This refers to the acquisition of coaching skills, coaching-related knowledge, and experience. Any time you are practicing coaching skills or learning about the art of coaching, you are working on your Outer Game.

The Outer Game is about learning. It develops the horizontal dimension of you. When you graduate as a Certified Human Potential Coach, you will do so because you demonstrated a sound Outer Game!

After graduation, accumulating many hours of experience coaching Clients, combined with regular supervision and ongoing professional development, will help ensure your Outer Game becomes increasingly cultivated.

A good Outer Game is essential to being and becoming an effective Human Potential Coach.

So how do you become an exceptional Human Potential Coach?

The answer is by working on your Outer Game AND Inner Game simultaneously.

The Inner Game of Coaching

The Inner Game is about vertical development. It relates to your level of presence, maturity and consciousness. It includes:

- **Mastery of self** — energy, attention, awareness, consciousness, mindstate, mindset, breath and behavior.
- **Psychological fitness** — increasing ability to be Present, open, and aware, engaging with reality, doing what matters.

OUR SECRET: THE INNER & OUTER GAME

- **Psychological maturity** — increasing capacity for more complex perspective at a cognitive (what is knowledge), intrapersonal (who am I) and an interpersonal (how do I relate to others) level.
- **Emotional intelligence** — increasing ability to recognize, understand and manage our own emotions and recognize, understand and influence the emotions of others.
- **Social intelligence** — increasing ability to understand and manage interpersonal relationships.
- **Health** — a resilient, coherent state of optimal wellbeing, responsiveness and mind/body functioning.
- **Identity** — evolving from thought-based, and me-centered orientation to presence-based, life-centered orientation.

**TOGETHER THEY
GIVE RISE TO YOUR WAY
OF BEING NOW.**

Your capacity to shift into Presence, your mindset, your character strengths, your level of emotional and social intelligence, your ability to manage your energy, maintain a high level of body/mind health and your daily rituals and routines ALL affect how you feel, perform and show up as a Coach and as a human being.

Together they shape who you are and how you are in the moment with others.

Your Inner Game informs and enhances the Outer Game. You need both.

A well-developed **Outer Game enables you to be functional and effective**, to 'get the job done.'

A well-developed **Inner Game expands awareness and unlocks inner resources, creativity, intuitive insight and subtler qualities of being such as lovingkindness, joyfulness, and stillness.**

It enables you to relate and work from depth, with consciousness, curiosity, care, and precision.

It enables an effortless state of optimal functioning and responsiveness.

It allows you, the whole of you, to show up and participate consciously in the flow of Life.

The developmentalist Robert Kegan likens Adult Development to filling a glass with water.

The Outer Game (horizontal development) is about filling the vessel (accumulation).

The Inner Game (vertical development) is about making the glass bigger (expansion).

**TO BECOME AN
EXCEPTIONAL HUMAN
POTENTIAL COACH
YOU NEED TO ATTEND
TO BOTH.**

THE OPPORTUNITY

You might be new to coaching, so I will share some illuminating information about the industry, the coaching market and the opportunity for you as a Coach.

In a 2020 report [1], the estimated 71,000 Coach practitioners worldwide generated over \$2.849 billion (USD) in annual revenues. As you might expect the greatest concentration of Coaches, and highest paid Coaches, are in high-income areas like North America, Western Europe and Oceania (Australia and New Zealand).

While the latest study demonstrated average annual earnings for North American Coaches of almost \$62,500 [1], an earlier study also showed that globally, the average fee charged for a one-hour coaching session was \$229 USD. The average number of Clients at any given time, 10. The average number of hours spent coaching Clients each week, 13. [2]

The main reason so many people are willing to pay good money to work with a Coach is because the support, guidance, clarity and accountability they experience enable them to achieve meaningful goals more effectively and efficiently. The processes of personal transformation and lasting change are so much easier in the presence of a skilled companion,

a skilled Coach. Over the last 10 years, numerous studies have explored the benefits of coaching. [3-9]. Overall, they found working with a Coach is a highly effective way to:

- Facilitate change in the areas of performance, skills and personal development.
- Increase the attainment of personal and professional goals.
- Improve psychological factors that enhance performance.
- Increase resilience, positivity and self-efficacy.

Coaching works by building growth-promoting relationships (through Presence, support, respect, Client-empowerment), eliciting motivation and increasing energy levels (the jet fuel for change), enhancing the likelihood of sustainable change (through positivity, resilience, reality-based optimism and self-efficacy), and facilitating the process of change (through perspective shifting, powerful conversations, goal setting, planning, accountability, reflection and feedback). It's a formula that works, and one you will learn in our Certified Human Potential Coach Training course.

AS A GRADUATE OF OUR COACH TRAINING PROGRAM, HOW WILL YOU PUT YOUR QUALIFICATION AND SKILLS TO USE? YOU MIGHT CHOOSE TO:

- Develop a new career as a Certified Human Potential Coach.
- Continue in your existing work but enhance what you do using the skills and knowledge you have acquired.
- Leverage your coaching certification as a unique selling point when applying for jobs or promotions.
- Expand your services to include coaching.
- Work within the corporate environment as a Coach.
- Increase your hourly rate to reflect your expanded coaching skills.

WHAT GRADS SAID ABOUT THE 2.0 HPC COURSE

STEVEN J WILLIAMS
OLYMPIA, WASHINGTON

This course has not only taught me about helping Clients reach their own human potential, but how I can reach mine as well.

JONO LIEW
SELFOSS, ICELAND

This is honestly one of the, if not THE best Coach training programs out there. I don't think anyone of us knew what we were getting ourselves into. But what a journey it has been! Even if you have no intention to be a Coach, you'd get more than your money worth just doing it for self-improvement. I really appreciate my fellow Coaches-in-Training who were more likeminded than many of my contemporaries in real life. And the trainers, they are simply top notch Coaches and excellent human beings. It was one of the best investments I've made. If you are still on the fence about it, think no more: just do it!!

JUAN GONZALEZ
QUEBEC, CANADA

I highly recommend this unique and practical - Human Potential Coach - training that showed me step by step how to transform myself as a Coach first and then inspire, help and support my Clients in a consciousness-transformation journey to become the best version we can be as human beings by accomplishing our goals and upgrading our mind, body and energy to the next level.

SANDRA ALBERTTIS
COCONUT CREEK, FLORIDA

This has been such an enjoyable and informative course. I signed up with the belief that this course would train me to coach others, but it turned out to be an eye opener for myself. **GLENN ROSEWALL**
SYDNEY, AUSTRALIA

My coaching quiver is now full of arrows to use in helping Clients, and potential Clients reach their full human potential.

**HAILEY ROWE**
CHICAGO, ILLINOIS

Becoming a Certified Human Potential Coach was one of the best decisions I've ever made. I feel fully equipped and qualified with the skills and knowledge necessary to best serve my Clients. I've helped Clients overcome perfectionism, adrenal fatigue, hormonal imbalances, and addiction to sugar. I've also helped them build long-term feel good habits, like exercising regularly or high intensity interval training. I've done other Coach programs and trainings, none of them have the level of integrity that this course does.

**HEATHER FOWEE**
CINCINNATI, OHIO

When I started HPCT, I had no idea where I wanted to take my coaching business, after a long health-coaching sabbatical. After certifying, I'm crystal clear on where I want to go from here and how I can be a purposeful life-changer!

**ALEXIA BJARKAN**
COSTA RICA

When the Human Potential Coach Training program launched, I jumped at the chance to participate. The Bulletproof Diet saved my life, and I see it as a great honour and mission as a Human Potential Coach to help others reach their potential too. I quit my corporate career in 2016 to pursue this passion. It is incredible to see the same transformation in my Clients. I love watching them shed weight and start feeling great about themselves. And from there, create lives that they truly love!

**KATE BROOKS**
OSHGOSH, WISCONSIN

The Human Potential Coaching program has literally changed my life! On a professional level, I did not expect to learn so much about my own mindset and be able to apply all the knowledge and tools we learned to transform our lives in such a short period of time!! On a personal level, the HPC community is like NO other! It has introduced me to multiple beloved friends, and has forever changed my view on community and loving others. This lesson, along with everything else HPA has taught me, is priceless!!

**ELZANNE MOODIE**

Through the Human Potential Coach Training, I did not only learn to become the best Coach I can be; I also learned to become the best Human Being I can be. What a journey.

**LISA HONEYWELL**

After taking the Human Potential Coaching Course, I have tremendous respect and admiration for the graduates that have come before me and those that will follow. The skill and ability to be present while coaching my Clients is truly an inspiring and cherished gift. Peers experienced their own incredible and unexpected breakthroughs during our coaching sessions. My Clients have attested to the powerful impact and effectiveness of genuine mindful coaching. Many thanks to the HPA team for the vision, love and for enhancing countless lives around the globe.

**JOEL AYLWORTH**
SAN FRANCISCO,
CALIFORNIA

From the workshops alone, I learned so much about myself and my level of Presence and how I show up in the world. The more I practiced the coaching skills and really actually listening to people instead of always preparing my response, I felt like I was almost living in another dimension of reality. Most people are stumbling along with busy lives and are missing the deeper levels of connection that are out there. Powerful stuff—and for this I will always be grateful.

**BIANCA CAIO**
CHARLOTTE,
NORTH CAROLINA

The Human Potential Coach Training is one of the most incredible programs to increase your skillset as a Coach and reach your potential as a human being. The teaching staff is incredible!! Thank you for shifting my consciousness and giving me the tools to help others do the same.

**HONG PHUONG**
MELBOURNE,
AUSTRALIA

When I started on this journey, I was completely self-centered. My only aim was to optimise my own health and well-being. I was blown away by the personal shift I experienced from the truly transformative workshop. I believe Dr. Mark Atkinson to be an extraordinary teacher and thought leader in the field of human potential development. Not only did I gain valuable insights from the program, which allowed me to support myself and others live a more conscious, healthier and high-performance life; but more than ever, I feel more connected to the notion of doing my part to help drive positive change in the world.

**EMILY BAKER**
LOS ANGELES,
CALIFORNIA

It's not an exaggeration to say that Coach Training transformed my life. I came into training while still in my career as a District Attorney for the County of Los Angeles. That career left me sick and burned out. I chose Coach Training because I was looking for something more, but I didn't have the energy to follow my dreams. The Human Potential Coach Training taught me how to heal from the inside out. After becoming a certified Coach I quit my job, started my own company and have the energy to live the life I was looking for. I have blended coaching with my legal background to help people through legal-ish transitions, everything from getting divorced to starting a company and learning to advocate for yourself in business. I created a life I love and my husband recently said that I finally seem like me again. It's truly incredible the difference coach training has made.

**DARREN PYEFINCH**
MILTON KEYNES,
UNITED KINGDOM

This course completely blew me away. I learned so much and enjoyed it immensely. It has been life changing.

DAYNE BARKLEY

The skills and knowledge I've obtained from this coaching course are unlike any other. I was finally able to effectively implement a daily meditation practice into my life and sharpen and improve my skills as a Coach and person, all with an incredibly supportive team and network at my fingertips. I am truly grateful for my experience.

AMANDA CAREY
SYDNEY,
AUSTRALIA

This is one of the best decisions I have made to do this course. I found for me the best way to see it as a training program for myself. Then you walk away with the added bonus of being able to coach people and do what you love. The thing I love most about this course, is it enables you to become a fully embodied Coach. Meaning, you live what you practice. You are what you teach. Clients will feel this through you because you learn how to coach from Presence. Not only has this course changed my life. I am already seeing amazing changes in my Clients. THANK YOU!!!

CARI ROSNO
DES MOINES,
IOWA

I am often asked my thoughts on the coaching program. My initial response is always "It was not at all what I expected, but so much more than I could have asked for." Through the Presence-based orientation of the program and education around holistic living I not only regained my health, I am a better leader and owner of a marketing firm who has now started a second business.

ANJA EBERSBACH
PALMA DE MALLORCA,
SPAIN

Excellent trainers, very supportive and very experienced, so there was a lot of knowledge to gain. The excellent venue was conducive to learning. There was a great interaction and trust between participants, which was encouraged by the openness / approachability of the facilitators. Trust was quickly established. The environment was very supportive.

ELISSA KERPEN

This has been one of the most valuable learning experiences I've had. WHAT CAREER OPPORTUNITIES ARE AVAILABLE TO ME?

Certified Human Potential Coaches are highly employable! To give you a sense of the kind of companies you could work with upon graduation, we have briefly highlighted three of the most popular amongst our Certified Human Potential Coaches:

<https://www.betterup.com/> — their mission is to unlock greater potential, purpose and passion.

<https://www.modernhealth.com/> — their mission is to de-stigmatize mental health care, break down barriers to access, and give everyone the tools they need to build resilience, proactively engage in their mental health, and get the clinical support they need when they need it.

<https://www.lyrahealth.com/> — their mission is to transform behavioral health care through technology with a human touch — to get more patients the care they need when they need it.

Coaches who work with these organizations have told us the training they received from the Human Potential Academy is above and beyond the knowledge, professionalism and necessary skills that applicant Coaches are expected to have.

Whilst the hourly rate for these companies is of course less than you would typically charge a private Client, they do provide you with a significant volume of Clients. This provides important coaching experience and coaching hours! The other nice thing is the flexibility. With some companies you can work as many or as few hours as you want.

It is an exciting time to become a Coach!
